Sun, 08/09/2009 - 08:41 — Chris **Event Date:** Fri, 09/11/2009 (All day) - Sun, 09/13/2009 (All day)
Location: Seattle Washington

Ceptara is a proud contributing sponsor to the Susan G. Koman Breast Cancer Walk for the Cure being held in Seattle Washington.

For those that are curious or may not know, the event is a 3 day walk where each participant walks approximately 20 miles each day. They camp together each night in pink tents, and are allowed to bring a limited pack that is transported for the walkers each day.

If you see all those 'pink' contributors out there in September, be sure to give them a honk or cheer for encouragement!
