

Runtime issues, Support Form failed

Fri, 08/14/2009 - 10:18 — sfioire

All, I am very interested in this product and ran into an issue where the add-in remains in a 'inactive' state. Error upon the load is what is being given under the Trust Center. I attempted to draft a support request via the online form, but receive a failure stating e-mails are incorrect. Your assistance would be appreciated.
