Why don't I see my e-mail, contacts, journal items, etc. assigned to a project in the Project Explorer?

Thu, 10/07/2010 - 16:19 — Chris

When you start the Project Explorer for the first time - the View - Artifacts is unchecked. To see all artifacts (contacts, e-mail, journal items, appointments, notes, and posts) in addition to tasks for a project, be sure to check the View - Artifacts.
