

reminder window

Wed, 05/04/2011 - 23:47 — svenna
Hi,

When i add tasks in certain ways the reminder window shows up and plays the reminder audio bell. I haven't really nailed the exact procedure to repeat it but it happens quite often.
This also happens when i'm syncing towards toodledo.

Is there something that i can do to make this stop? :)

Best Regards
Fredrik
