Assigning an open email from the inbox to specific project

 Wed, 06/22/2011 - 17:35 — maximillia007

I am new to Organizer switching over from ClearContext. The one feature I seem to be missing is the ability to save an open email to a specific project after reading it.

‹ Where can you find out about new features and related details as they are added? [1] How to make the ceptara oragnizer work properly on outlook 2010 › [2]
