

Registration not "Sticking"

Tue, 07/19/2011 - 22:36 — robplatt
Hi all,

I'm having trouble getting my registration to "stick". Actually this has been a problem almost since day 1, and I've lost count of the number of times I've had to recreate my project list.

I understand this issue has been fixed in version 3.5. Is this a free upgrade or do I have to pay for it? I'm currently using 3.1.1008.5. I'm running Outlook 2007 on a Windows 7 machine.

Please advise.

Thanks and regards,

Robert
