Task order in Organizer Pane

I can sort the tasks listed in the bottom half by focus - great. I see columns for task & date. I want a column for status (not started, in progress, etc) or % complete (50%) so I can sort that list. If this column is instead of date, fine. If it cant sort, but at least states "in progress" or "50%", fine. I just cant see it in the organizer pane at the moment.
