# Focus Me 2013 - View Project Explorer

Wed, 01/21/2015 - 08:32 — Mike@pearsonprof.com
Hello,

I do not have an option in my outlook 2013 to view the project explorer and hence I cannot see a list of tasks and sub tasks.  Is there a solution for this or do i have to have another add in?

Thank You,

Mike
