ASQ LSS Excellent Organizations have Excellent People

Wed, 02/25/2015 - 21:24 — Chris

Lean and Six Sigma methods have numerous tools that help organizations and teams find more efficient and effective ways to operate. However, Lean and Six Sigma have no tools that help individuals achieve the same. Learn an approach that will help your people engage, envision, and execute more effectively.

This is the handout from the talk Chris gave in Phoenix on March 3rd, 2015 at the ASQ 2015 Lean and Six Sigma Conference.
